Business Model

Entrepreneurial model with fixed core

Defender-related characteristics *versus* Prospector-related characteristics

Business Model: Additional Information

The business model focuses on using digital technologies to reach new markets via new or innovative channels using the same or products and services as in the past.
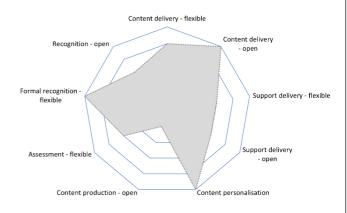

OOFAT Model

Interpretation: The closer the line moves towards the centre, the more fixed and institution-specific the approach taken by the institution. The further from the centre, the more flexible and open the approach.

OOFAT for multiple projects
