Social Media	Online Assessment
Other	

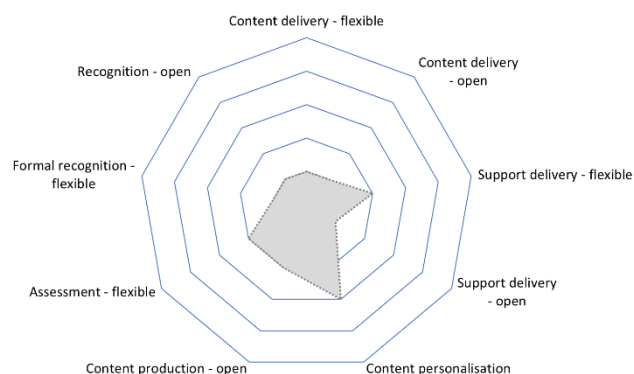

TEL Strategy

In Brazil we have a rather rigid system, with specific times fixed.

OOFAT Model

Interpretation: The closer the line moves towards the centre, the more fixed and institution-specific the approach taken by the institution. The further from the centre, the more flexible and open the approach.

OOFAT for a specific purpose

OOFAT Model: Additional Information

Business Model

Fixed core model

Defender-related characteristics *versus* Prospector-related characteristics

	Profitability / sustainability
Networks	
Competitive advantage	
Value chain	
Communication channels	
Target group	
Products / services	

Business Model: Additional Information

The business model focuses on using digital technologies to reach existing markets via traditional channels using the same or similar products and services as in the past.
